Dear Parent,

Attached you will find a copy of the State of Texas 2016–17 School Report Card for Canterbury Elementary School. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR®), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the enclosed "2016–17 School Report Card Definitions." The report for our school may or may not have all the information described because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the school report card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socioeconomic status of the students and must include at least two years of results.

The School Report Cards can be found online at <https://rptsvr1.tea.texas.gov/perfreport/src/20176/campus.srch.html>

A more complete report about [name of school], the Texas Academic Performance Report (TAPR), is available by contacting my office or can be accessed online at <https://rptsvr1.tea.texas.gov/perfreport/tapr/index.html>

Please contact me if you have any questions concerning this report card. Thank you for your continued support of Canterbury Elementary.

Sincerely,

Mr. Ricardo Perez, Principal
Canterbury Elementary School

State accountability ratings are based on four performance indices: Student Achievement, Student Progress, Closing Performance Gaps, and Postsecondary Readiness. The bar graph below illustrates the index scores for this campus. The score required to meet each index's target is indicated below the index description and as a line on each bar. In 2017, to receive the Met Standard or Met Alternative Standard accountability rating, districts and campuses must meet targets on three indices: Index 1 or Index 2 and Index 3 and Index 4.

2017 Accountability Rating

Met Standard

For 2017 state accountability, campuses are rated as **Met Standard**, **Improvement Required**, or **Not Rated**. The rating, **Met Alternative Standard**, is assigned to charters and alternative education campuses evaluated under alternative education accountability (AEA) provisions.
